## **Sharing the arctic spirit!**

Barents Games is a people-to-people cooperation, which aims to develop friendship through sports in the Barents Region. Cooperation across the four Barents countries gives athletes, coaches, managers and referees the opportunity to share knowledge and experience through international competitions.

In addition to sports competitions, Barents Winter Games has an overall goal of developing tolerance and cultural understanding across its borders.

For other activities of your choice there will be a fee according to Alcatraz normal pricelist. It's a good idea to bring money with you if you want to try some of Alcatraz's other offerings.
